Student Spotlight

This month, we are so proud to celebrate Areeb from Kindergarten Class, who reached a wonderful milestone! Areeb created an independent drawing all on his own – a big step in creativity, confidence, and fine motor skills.

AUGUST EVENTS

✳️ Meet and Greet August 5, 2025

We kicked off the school year with a cheerful Meet & Greet, bringing together students, parents, and teachers.

✳️ Independence Day August 13, 2025

Our school came alive with patriotic spirit as students celebrated Independence Day with songs, performances, and vibrant displays of green and white.

✳️ Celebrating 6 Years of Prodigy HIGH August 18, 2025

This month, our school proudly marked its 6th anniversary with a joyful celebration filled with laughter, learning, and togetherness.

Academic Spotlight

Welcome Back to School!!

Dear Parents and Guardians,

We are thrilled to introduce the very first issue of the Prodigy High Monthly Newsletter! Each month, you will receive updates about school events, student achievements, upcoming activities, and important announcements – all in one place. Our goal is to keep you connected with your child's school journey and celebrate the moments that make Prodigy High special.

The month of August marks a joyful new beginning as we welcome our students back after the summer break and open our doors to many new faces joining the Prodigy family. For our preschoolers, we are embracing the nurturing and creative Steiner (Waldorf) philosophy, focusing on imaginative play, nature-inspired learning, and gentle transitions into school life.

Message from the Principal

It gives me great pleasure to welcome you to the first edition of the Prodigy High Monthly Newsletter! This will be our way of keeping you informed and connected with all that is happening at our school each month – from exciting events and student achievements to important announcements and glimpses into classroom life.

Now at Prodigy High

Subject – Based Classrooms

Our elementary students are starting the year with subject-based classrooms, giving them an environment tailored to each subject and encouraging focused, deeper learning. We are also introducing combined lunch and break times so students from different grades can bond, build friendships, and strengthen our sense of community.

Headmistress's Note

Welcome back to a brand new school year! We're thrilled to see our students return with such energy and enthusiasm. This month is all about setting the tone — building routines, rekindling friendships, and starting strong. Let's make it a wonderful year ahead — together!

Monthly Highlights

UPCOMING EVENTS

* Grand Parents Day September 24 , 2025

We look forward to welcoming our beloved grandparents to school soon.

* World Clean Up Day September 19 , 2025

Our school will be taking part in World Clean-Up Day—a global movement to care for our planet.

Activity Corner

Swimming Classes

This year, We are especially excited about our newest offering — swimming classes. Learning to swim is a lifelong skill, and we are thrilled to provide this opportunity at discounted rates for our students.

STEAM-ing Ahead in Grade 1!

We're excited to introduce STEAM (Science, Technology, Engineering, Arts, and Mathematics) to our Grade 1 students this year! Through fun experiments, creative projects, and hands-on challenges, our young learners are discovering how science and creativity work hand in hand. It's all about curiosity, problem-solving, and having a blast while learning!

Get Involved!

We love it when parents join in the fun! Whether it's helping at events, sharing your talents, or suggesting new ideas, your energy makes our school shine even brighter. Let's work together to create exciting experiences and memories for our students. Have an idea? We're all ears!
