Student Spotlight

Naisha, our Playgroup orientation student, has shown wonderful progress by settling comfortably into the classroom environment. She is now confidently following daily routines and getting along well with her teachers and peers. This milestone reflects her growing independence and positive adjustment to school life —Well done, Naisha!

Academic Spotlight

A Season of Smiles and Celebration

The end-of-term celebration at Prodigy HIGH was filled with joy and excitement as students across all sections enjoyed a variety of engaging activities. The campus came alive with games, creative projects, and cheerful moments shared with teachers and peers. Preschool students participated in fun indoor and outdoor activities, with the snowman craft being a special highlight, followed by games and a lively party. Elementary students enjoyed outdoor games, a movie screening, dance sessions, and a celebratory party, ending the day with souvenirs and excitement for the upcoming vacations. Teachers also encouraged students to make the most of their holidays through a healthy balance of fun and learning.

Little Bakers at Work - Baking Experiment

Our Playgroup students enjoyed a fun and sensory-filled baking experiment where they mixed, poured, and observed simple ingredients transform into a delicious treat. This hands-on activity helped develop early math concepts, fine motor skills, and curiosity, while encouraging teamwork and excitement for learning through play.

DECEMBER EVENTS

✳️ Winter Celebration

December 18th, 2025

Our Winter Celebration was filled with joy and festive cheer as students enjoyed fun activities creating warm memories during the chilly season.

Imagination in Costume

Our Preschool joyfully celebrated Character Day, where students came dressed as their favourite story characters after selecting books they loved. Students confidently showcased their chosen characters and spoke about their favourite books, expressing excitement and imagination. Parents actively participated by demonstrating remarkable creativity, helping their children dress authentically to resemble the characters. The limelight of the event featured Saman, Usman M. Saleh, and Naisha from Playgroup, Kabeer, Musa, and Hazel from Nursery and Abdullah Waqas, Sassui, Viara and Areeb from Kindergarten, all of whom impressed everyone with their outstanding costumes and confident presentations. The objective of celebrating Character Day was to nurture a love for reading, storytelling, and self-expression among preschoolers. Such activities play a vital role in developing language skills, boosting confidence, and enhancing communication abilities at an early age.

Winter Donation Drive

The Prodigy High Winter Donation Drive was conducted with great enthusiasm under the theme Bluey, symbolizing kindness, empathy, and teamwork. Students, parents, and teachers came together to collect essential food items and winter clothing for underprivileged families. This meaningful initiative helped children understand the value of sharing, compassion, and social responsibility, reinforcing that small acts of kindness can create a big impact.

Routine Makes It Right!

Our Kindergarten students enjoyed a delightful and meaningful Day & Night Routine hands-on experience designed to help them understand the importance of daily routines in a fun and engaging way. The day began with children arriving at school dressed in their cozy pyjamas, ready to practice their nighttime routine. Together, they went through bedtime habits such as winding down, listening to a calming bedtime story, and settling in for a short nap, helping them recognize the importance of rest and sleep for growing bodies and minds. After waking up they practiced getting ready for school, learning about independence, self-care, and time management. The experience concluded with a shared breakfast, reinforcing healthy morning habits and the importance of starting the day with nutritious food. This interactive activity not only made learning enjoyable but also encouraged responsibility, routine building, and real-life skills.
