Student Spotlight

We are delighted to celebrate the outstanding progress of Fatima, our Grade 1 student. She has shown exceptional skills in solving math word problems, demonstrating problem-solving abilities. In addition, Fatima has excelled in English, impressing her teachers with her confident speaking, expressive writing, and creative ideas.

DECEMBER EVENTS

✳️ New Years Breakfast January 13th, 2026

Students kicked off the year with a joyful breakfast, laughter, and festive cheer.

✳️ Parent Read Along January 23rd, 2026

Parents joined the classroom to read aloud, making story time fun, engaging, and memorable for the children.

✳️ Career Day January 30th, 2026

Students explored professions, dressed up, and showcased their dream careers, inspiring confidence and creativity.

Academic Spotlight

A Delightful Beginning to the Year – New Year's Breakfast Celebration

Preschool and elementary students at Prodigy High came together to celebrate their favourite breakfasts! Each little chef brought a special dish, exploring the concept of a healthy breakfast and learning why it's so important for energy, focus, and overall well-being. Teachers added extra fun with interactive activities to welcome the New Year 2026. Students got hands-on at live sandwich stalls, preparing their own delicious, nutritious sandwiches—from classic favorites to creative, one-of-a-kind creations. The event was a perfect mix of learning, creativity, and community spirit, showing that healthy habits can be exciting and fun for every student. Here's to starting the year with full tummies, happy hearts, and a healthy mindset!

Science Meets Art – Magic Milk Activity

Our Preschoolers had a delightful time exploring the wonders of science through the Magic Milk experiment. With just milk and colors, students observed how colors magically swirled and danced. This fun, hands-on activity not only sparked excitement but also helped children understand basic science concepts like reactions and surface tension in an engaging way. It was truly a colorful blend of learning and fun!

Where Stories Meet Smiles!!

Our Preschool organized a joyful and engaging Read-Along Event to promote early literacy and strengthen the home-school connection. Parents were invited to read storybooks aloud in class, exposing children to a variety of stories, themes, and characters. Teachers further enriched the experience through thoughtfully planned, age-appropriate activities such as discussions, vocabulary building, sequencing, role-play, and creative art.

The event supported language development, listening and comprehension skills, imagination, and a love for reading. Parental involvement made the experience even more meaningful, boosting children's confidence and reinforcing the importance of reading at home. It was truly a warm and memorable initiative that nurtured literacy, creativity, and holistic development.

Monthly Highlights

UPCOMING EVENTS

* Clay Magic in Action

February 11th, 2026

Our students will get hands-on with clay, shaping and creating imaginative masterpieces in this fun upcoming event!

* Annual Sports Day

February 14th, 2026

Get ready for our Annual Sports Day — a fun-filled event of races, games, and school spirit!

Activity Corner

Recognizing a Valued Team Member

We are proud to celebrate the remarkable achievement of Miss Sukaina, who participated in the BYD Karachi Marathon 2026 held on January 4, 2026, in Karachi. She secured an impressive 68th position among 300 women in the Half Marathon (21.1 km) category, completing the race within the 3-hour time frame. Her dedication, endurance, and sporting spirit make the school immensely proud. Heartiest congratulations to her on this wonderful accomplishment!

Careers Come Alive

Career Day at Prodigy High was a vibrant and enriching experience where students explored various professions and reflected on their future aspirations. Through interactive discussions, creative costumes, and short skits, they confidently presented roles ranging from doctors and teachers to pilots and soldiers. The event was made even more special with enthusiastic parental involvement. Overall, Career Day inspired ambition, built confidence, and fostered respect for all professions while strengthening the school-parent partnership.
