Student Spotlight

We are delighted to highlight a Grade 3 student Arbish, who has shown remarkable improvement in her handwriting. Through consistent effort, focus, and a positive attitude toward learning, she has made great progress in letter formation, spacing, and overall neatness.

Academic Spotlight

Children's Day!!

In celebration of Children's Day, our school organized a delightful field trip to **Tree House Play Café**, creating a day filled with laughter, learning, and unforgettable memories for our young learners. The vibrant and child-friendly environment of the café offered the perfect setting for children to explore, imagine, and enjoy themselves to the fullest.

The students were thrilled as they climbed and explored the enchanting tree house, which quickly became a favorite attraction. The role-play zones added an exciting touch to the experience, where children confidently stepped into imaginative roles—running a salon, becoming doctors, and even managing an ice cream van. These activities encouraged creativity, social interaction, and confidence-building in a fun and engaging way.

The joy didn't stop there! The children were treated to yummy snacks, which added to the excitement and kept their energy levels high throughout the visit. Smiles, laughter, and cheerful chatter filled the space, making the day truly special for everyone involved.

Nature Walk

Our Playgroup students recently took part in a delightful Nature Walk Milestone Activity, which they enjoyed immensely. The little learners explored their surroundings with great excitement, observing plants, flowers, and natural elements while walking confidently alongside their teachers. This engaging activity supported the development of gross motor skills, curiosity, and awareness of nature..

NOVEMBER EVENTS

✳️ Culture Day

November 13th, 2025

The vibrant costumes beautifully reflected various cultures, while the traditional food items brought by the students added a delightful

✳️ Children's Day

December 2nd, 2025

Trip to Tree house Cafe for an exciting Feildtrip for the whole school.

✳️ Petting Zoo

November 12th, 2025

This fun-filled experience helped children learn about animals while building confidence, curiosity, and compassion.

Petting Zoo.....

Our school was delighted to host a lively and educational Petting Zoo on campus, giving students a wonderful opportunity to experience animals up close in a safe and joyful environment. A variety of friendly animals visited the school, including goats, chickens, rabbits, small birds, turtles, kittens, and even a playful, naughty monkey that quickly became a favorite among the children.

The students were excited to feed the animals and gently interact with them. Many children confidently held the smaller animals, especially the turtles and kittens, which helped build their comfort, empathy, and understanding of animal care. The experience sparked curiosity, encouraged kindness toward living beings, and created moments of laughter and learning throughout the day.

This hands-on activity brought learning beyond the classroom, making it a memorable experience for our young learners and a delightful addition to our school's activities.

Monthly Highlights

UPCOMING EVENTS

* Winter Donation Drive

December 5th, 2025

Our students will be helping the needy community by contributing essentials, spreading kindness this winter.

* Character Day

December 17, 2025

Students will dress up as their favorite characters, celebrating creativity and imagination in a fun-filled school event.

Activity Corner

Introducing Beam Balancing in Gymnastics!

Our gymnastics sessions have become more exciting with the introduction of beam balancing. This new activity helps children improve balance, coordination, and focus while building confidence in a fun and safe environment.

Elementary Culture Day

Culture Day was celebrated with great excitement at our school, highlighting the beauty of diversity and global harmony. The children proudly represented different countries by dressing in traditional attire and confidently introducing themselves to the mothers who visited the school to encourage and support them.

The vibrant costumes beautifully reflected various cultures, while the traditional food items brought by the students added a delightful and authentic touch to the celebration. The event provided a wonderful opportunity for children to learn about different cultures, build confidence, and appreciate diversity in a joyful and engaging way.
