Sharing Food, Spreading Smiles – World Food Day Celebration!

Our little chefs from Playgroup, Nursery, Kindergarten, and Elementary came together to celebrate World Food Day with a heartwarming donation activity!

Playgroup students prepared fresh fruit cups, while our Nursery kids blended delicious chocolate milkshakes with their teachers' help. The Kindergarteners showed great excitement in making chicken sandwiches, carefully wrapping and packing them for donation.

The highlight of the event was our Elementary students' live cooking session, joined by our amazing super moms! Students learned real cooking skills – cutting, frying, and meal prep – across four lively stations. Together, they prepared and packed wholesome meals including puri chola, sandwiches, milk bottles, and fruit cups, all beautifully packed in eco-friendly bags.

The food was later donated to the needy and our dedicated school staff – a wonderful act of kindness and teamwork by our students, teachers, and parents!
